Commission Consortium Details

The Phi Beta Mu Xi Chapter (Illinois) has entered into an agreement with composer James M. David to embark on our second commissioning project. The commission will be a grade 4-5 range and will be 5:00-6:00 in length with compositional direction to be determined later this year. He has agreed to a \$6,000 commission - \$1,500 would be covered by the Phi Beta Mu Xi Chapter (Illinois) and the remaining \$4,500 will be reached via a consortium of twenty high school and collegiate programs whose directors are affiliated with Phi Beta Mu Xi, each paying \$225. Consortium members must be active in membership status and in good standing to join. Any additional consortium members over the required 20 are welcome to join and the additional monies collected will go to the composer. We would look to premiere this new work in the fall of 2027, with access to the piece available to all members immediately after.
